Dear Sisters, Brothers, Friends and Family:

Christina Lee Sacorafas was born and raised in Detroit, Michigan and is the eldest of two girls. She is a second generation of Greeks that emigrated to the U.S. from Samos, Greece. Christina moved to San Diego, California, with her family shortly after graduation from high school. There Christina was very involved in her church, singing in the choir and volunteering. Christina moved to Minnesota in the winter of 2004. Cody, her beloved black lab, became a part of her family in 2005.

Christina became involved in the St. Mary's Greek Orthodox Church community. She joined the Daughters of Penelope where she serves on several committees. She was also involved in starting up a Greek folk dance group for the children at the church. Christina is very proud of her Greek heritage. She is a very vibrant, loving woman. She loves to dance and also loves to quilt and sew. Christina made all the Greek costumes for the children, which they wear at Greek festivals.

Christina is very adventurous and always wants to try new things. She recently joined a ballroom dance class with her new love Greg, and had just enrolled in an American Sign Language class because she wanted to be an interpreter. Christina is a social butterfly and will do anything you ask of her. She affects many people with her positive attitude and her million dollar smile.

Christina was on her way to the church and called a dear friend and co-teacher of the dance group at 5:57 pm and said she was running late and stuck in traffic on 35W. Christina never made it to the church. Christina is still missing at this time. We have no new news on her status. Christina is approximately 5'3", 130 lbs., brown hair, striking blue eyes, and is 45 years old (D.O.B. 2/11/1962).

Please pray for her with us.
